Each player has the opportunity to secure sponsorship. The first \$200 per player will be allocated to reduce their fees to \$2000. Sponsorship above the \$250 will be allocated by the REP Program Director to provide additional hockey development sessions, use for additional tournaments, or team building events as examples, they will not be used to lower a single players fee. A sponsor of \$2500 or more will have their business name added to a piece of clothing such as the jersey or jacket.

All sponsors will be recognized on the London Raiders REP programs website and team banners.
